

## Directions to Colorado State University, Fort Collins, CO Guggenheim Hall and the Preconstruction Center Department of Construction Management

**The Precon Building 3rd Floor Recruiting Center does not have room numbers.**

Each room will be identified with a Company Sign. We ask students to wait in the waiting area and for companies to call on students when ready.

**Parking passes will be provided the day of your interviews.**

**Traveling from Denver:** Going North on Interstate 25 for approximately 60 miles you will take Exit 269 (**Mulberry Street**) to enter Fort Collins. After taking this exit, turn West (left) and proceed West on **Mulberry Street** past **College Avenue** (Highway 287) two blocks to **Howes Street**. Turn South (left) on **Howes Street** and turn East (left) on **Laurel Street**. (*Guggenheim Hall is on the Southeast corner of Laurel and Howes Streets.*) You will pass Guggenheim and the Preconstruction Center Building (old IS Building) on your right, as well as the IS lab. Turn right at the railroad tracks onto Mason Street. Immediately on your left is an 'A' parking lot, which you will be able to park in with your parking pass.

If there is not parking available here, you may park in any "A", "X", or "Z" lot on campus with your guest parking permit. **Be sure to scratch off the date and hang the permit from your rear view mirror.** Please do not park in metered parking or you will be ticketed.

For additional Parking & Transportation information, visit: [pts.colostate.edu](https://pts.colostate.edu)

Thank you and we look forward to seeing you when you come to campus!
