

Entry-Level Mechanical Construction Estimator

Location: Denver, CO

Job Type: Full-Time

Department: Estimating / Preconstruction

Reports To: Senior Estimator or Senior Preconstruction Manager

Job Summary:

We are seeking a motivated and detail-oriented Entry-Level Mechanical Construction Estimator to join our preconstruction team. In this role, you will assist in preparing cost estimates for mechanical systems on commercial, industrial, and institutional construction projects. You will work closely with project managers, engineers, subcontractors, and vendors to ensure accurate and competitive pricing of mechanical scopes such as HVAC, plumbing, and piping.

Key Responsibilities:

- Assist in the preparation of detailed quantity takeoffs and cost estimates for mechanical systems.
 - Read and interpret construction drawings, specifications, and contract documents.
 - Solicit and analyze vendor and subcontractor quotes.
 - Maintain and update historical cost data and databases.
 - Support the preparation of bid packages and proposals.
 - Attend pre-bid meetings, site visits, and walkthroughs as needed.
 - Coordinate with project management and field personnel teams during hand-off.
 - Learn and use estimating software (e.g., Trimble, Quick Pen, Bluebeam, Excel).
 - Assist in identifying scope gaps, risks, and value engineering opportunities.
-

Qualifications:

- Bachelor's degree in Mechanical Engineering, Construction Management, or related field (or equivalent experience).
-

- 0–2 years of experience in estimating, construction, or mechanical systems preferred.
 - Strong mathematical and analytical skills.
 - Familiarity with mechanical systems (HVAC, plumbing, piping) is a plus.
 - Ability to read blueprints and technical documents.
 - Proficiency in Microsoft Excel; experience with estimating software is a plus.
 - Strong communication, organization, and time management skills.
 - Willingness to learn in a fast-paced, collaborative environment.
-

Benefits:

- **Competitive salary and performance-based bonuses**
 - **Health, dental, and vision insurance**
 - **401(k) with company match**
 - **Paid time off and holidays**
 - **Training and career development opportunities**
-

About Us:

Braconier is a leading mechanical contractor specializing in the design, fabrication, and installation of plumbing and piping systems. With a strong commitment to quality and innovation, we serve clients across commercial, healthcare, education, and industrial sectors.

Interested candidates should forward a resume and cover letter to Bobbyc@braconier.com
