

Larsen Development is one of Denver's award winning custom residential Design + Build firms that specializes in luxury homes and remodels.

We are looking for a **Construction Intern** starting May 2020 to work on a wide range of construction projects from start to finish. You will need to be a go getter. In this job you will assist our construction team by running jobs, helping to manage scheduling, and have an eye for detail. You will get to know our processes inside and out.

This is an entry level position. We are looking for someone who is currently in school in the construction field. You will need to be skilled on a computer and be very familiar with excel. We want someone who is quick to jump in and learn and who thrives in a flexible environment.

#### Responsibilities

- Collaborate with architects, interior design team, and clients to determine the specifications of the project
- Assist our construction team in the day to day on site duties
- Schedule trades and vendors and keep the project on schedule
- Assist with punch and warranty

#### Requirements

- Must be enrolled in the construction department
- General knowledge of construction
- Very familiar with Microsoft Office
- Outstanding communication
- A team player
