

Suncoast Post-Tension Ltd, a Keller Company, is an established post tension and rebar manufacturing company that has been in business for over 30 years. We supply construction related materials to builders from one of our eight manufacturing facilities in the US.

We are looking for an accomplished Estimator to join our team in Denver, CO.

You will be required to use company software to estimate the design of each project. At times you will engage a particular need or problem and, with the assistance of our staff, devise an appropriate solution. Additional tasks include budget estimates, reviewing drawings, evaluate and compiling information.

Qualified candidates will have at least 1-4 years' relevant hands-on experience or BS Degree in Construction Management. Must be well organized, self-motivated, reliable, detail oriented, and possess excellent interpersonal & customer relations skills. Excellent computer skills and written & verbal communication skills necessary.

Requirements:

- Strong math and multitasking skills required
- Plan reading, comprehension and take-off
- Helping with bids in a timely manner
- Sound technical knowledge
- Commercial instincts
- Attention to detail
- Get-it-done attitude
- Ability to meet fast paced and dynamic schedules and deadlines

If you would like to be considered for this opportunity, please submit your resume in MSWord to Brooke.Colca@keller-na.com.
