Responsibilities:

- Oversee all aspects of construction project from planning to implementation
- Allocate resources for assigned projects
- Supervise onsite personnel and subcontractors
- Interface with project inspectors, contractors, architects, engineers, city and county officials, and clients
- Maintain high standards of workmanship that adhere to original plans and specifications
- On small jobs assist with fieldwork

Qualifications:

- Strong leadership qualities
- Deadline and detail-oriented
- Ability to operate construction equipment
- Ability to tow trailers
- Drivers license and clean motor vehicle record
- Capacity to lift up to 100lbs

- Ability to stand for several hours at a time and to walk in varying climate conditions and on uneven ground
- Minimum 3 years construction experience

About Agrifab Colorado, LLC:

Agrifab Colorado, LLC operates as a general contractor focusing primarily on building dairy facilities. Our team has completed dozens of successful projects in the Colorado region. Our team is in need of assistance in the area of project management.
