

## PROJECT ENGINEER / ASSISTANT PROJECT MANAGER

We are a Commercial General Contractor specializing in Office, Retail, Healthcare, Restaurant and Financial Services projects.

We build long term relationships with our clients through superior execution of the construction process.

We provide guidance and support for our employees and require them to work hard but also have plenty of fun along the way.

### WE ARE ACCEPTING APPLICATIONS FOR THE FOLLOWING JOB DESCRIPTION:

You will assist our Project Managers in Project Planning, Project Startup, Scheduling, Safety, RFI Management, Submittal Management, Status Reporting, Quality Control, Building Department Inspection Coordination, Subcontractor Management, Punchlist Management and Project closeout.

Must be a detail oriented individual who takes the initiative and has great communication skills. A Construction Management or Engineering degree is preferred.

Project size varies from small up to \$20,000,000.

This position is based in the Denver Metro area and available immediately.

Home Office: 950 17<sup>th</sup> Street, Suite 1300, Denver, CO
