

ABOUT US

DSI is one of the leading commercial drywall, paint and acoustical contractors in the Denver Metropolitan area. We specialize in a diverse range of commercial construction services.

Our company philosophy is to serve our customers with a top-notch level of service, through a positive attitude, team-oriented focus, professionalism, and a superior level of management on every project.

DSI offers its clients competitive pricing, on-time performance, attention to detail, and consistently high levels of quality and job safety. Be sure to check our site for a list of our clients and projects, and images of our work. We encourage you to contact us, so we can discuss solutions for your constructions needs.

Company background

In August of 1986, Andrew McAvin, Chris Kefalas and David Johnson founded DSI. Since then, DSI has maintained the best reputation in the business for consistently delivering unparalleled quality. DSI's highly trained employees are dedicated, experienced and committed to safety. Our office staff supports our employees in the field by helping to provide quality management in every detail. To ensure these missions are effectively achieved, DSI follows a partnership approach on every project we take on.
