

Douglass Colony has been involved in some of the most iconic and interesting building projects in Colorado; the State Capitol reroof, DIA Expansion, Foothills Mall Expansion, CSU Rams Football Stadium, CU Athletics Football Stadium Expansion, and more. We provide full-service specialty contracting and have been tackling amazing projects in the Rocky Mountain region since 1947. We've lasted this long because of our commitment to our customers and our employees. Join our team of over 300 employees in Denver, Colorado Springs, and Greeley and make our success your success.

Job Description

The role of the project manager is to plan, coordinate, and oversee multiple projects and professionally represent the company and workforce.

Based in Denver, Colorado Springs and Greeley

Salary **plus potential bonus**, company paid health insurance, 401k plan, **company vehicle**. Income limited only by your performance!

Clean driving record, background check, and drug test required.

DCG is an Equal Opportunity Employer

Since its founding in 1947, Douglass Colony Group has established itself as the Rocky Mountain region's premier full-service commercial and industrial roofing contractor with more than 300 employees at offices in Denver, Colorado Springs, and Greeley. The firm provides services in commercial roofing solutions and repair, FrameCAD metals, solar and waterproofing.

What makes Douglass Colony different? Our team. Douglass Colony has outstanding long-time employees and is always looking for new talent to join the team. If you want to be a part of a growing company that will provide you with a ladder to achieve success, it starts here!

Benefits:

- Competitive Pay
- 100% Employer-Paid Medical Plan
- Dental Plan
- 401(K) with Match
- PTO

We value and develop our employees' diverse talents, initiative, and leadership. Douglass Colony employs a zero-accident culture of safety, conducting regular, comprehensive training for all field employees, and enforces a drug-free work environment.

*Preferred Degree in Construction Management
