

JOB DESCRIPTION

Job Title: Laborer / Work Experience
Reports To: Senior Superintendent
Department: Operations

Founded in 1977, Saunders Heath is northern Colorado's leading provider of construction management, general contracting and facilities maintenance services. We're proud to say we've built and maintained many of the most exceptional retail, office, municipal, healthcare, high-tech and educational facilities in our community. Saunders Heath's determination to deliver exceptional, cost-effective services on every project has led to long-standing relationships with local businesses throughout northern Colorado.

We continuously strive for excellence in all we do – supported by the capabilities and resources of [Saunders Construction](#). We are best equipped to meet the most demanding of construction and maintenance challenges. From a small retail remodel to a new, multi-building office complex, Saunders Heath has the resources and systems to ensure project success.
