### **Job Details/Open Position**

Civil Project Engineer - Internship

### **About this Job**

Seeking a qualified Construction Management or Civil Engineering student for a "Project Engineer" internship in the heavy-civil and earthmoving construction industry. Job responsibilities may include: contract document review and management, preparation of RFI's/daily logs/material submittals, cost coding of daily crew tasks, assisting with project schedule updates, meeting preparation/attendance/minute and follow up, and assistance with the monthly pay application process. Exposure to estimating processes is likely and would include bid document review and analysis, quantity takeoffs and cost estimating. A strong command of math, computers and Microsoft platforms are necessary. Employer will provide trade specific training.

### **Minimum Cumulative GPA**

3.0

### **Preferred School Years**

Junior, Senior, Alumni

### **Preferred Majors**

Construction Engineering & Management & Civil/Environmental Engineering majors

### **Duration**

3 month or 6 month Internship

### **Pay Rate/Salary**

\$18.50 - \$20.00/Hour

### **Contact/Submit Resume to:**

Michael Easley  
Vice President, Estimating

### **Company Overview**

Kelley Trucking Inc. is a premier heavy civil contractor in the Rocky Mountain Region. We specialize in mass dirt moving projects including dams, airports, highways, landfills, commercial and residential site preparation. Our jobs range from over 40 million dollars/10 million cubic yard mass excavations, to 100,000 cubic yard site prep projects. Our services include: prime and subcontracting, heavy highway construction, mass excavation, overlot grading, structural excavation and backfill, rock excavation, import/export, aggregates and material processing services.

Values and work ethics are the driving forces behind Kelley Trucking Inc. We believe that a job done honestly with integrity is the only way to complete a job. Our commitment to strong values plays a major role in everything we do. Kelley Trucking Inc.'s commitment to their employees is a tenant in their business strategy. We know that our people make our company, from the office to the field our personnel are the highest quality.

For over 45 years, Kelley Trucking Inc. has been associated with the highest quality earthwork in the region. We have long been meeting the challenges of the industry, we recognize the importance of technological advances, and strive to remain a front-runner in the construction field. The dependability, quality and integrity of Kelley Trucking Inc. have allowed us to create an industry-leading company.
