

**STELLAR**  
CONSTRUCTION

### **CONSTRUCTION CREW WORKER**

#### **ROLES & RESPONSIBILITIES:**

- Following instructions from construction team lead and owner
- Being reliable, on-time, and communicate well
- Being able to read & understand plans is a huge plus
- Asking questions as needed to do the job 100% right; we will teach but want someone with good knowledge and understanding of “how to” build
- Digging post holes and backfill holes to prepare for the construction site
- Operating equipment and heavy machinery used in construction sites
- Loading and unloading building materials
- Cleaning the construction site by removing scrap and debris from the worksite

#### **QUALIFICATIONS:**

Experience in building is a plus, but educational experience around it is great.

Desire to do manual labor for 6-10hrs per day (weather dependent)

Will work around your schedule if you are currently a student.

#### **PAY RANGE:**

Starting between \$12-14/hr; raise is negotiable after 90 days and up to the discretion of the owner  
Potential for full-time work and leading your own crew for the right employee who can/will do full-time.

#### **ADDITIONAL NOTES:**

Growing company with a ton of business. Ideally looking for someone who can jump in, learns fast, and will grow with us. But, open to interns, part-time, and seasonal employees if the training curve is short. We have a great team, and want to expand on it. If you think this is for you message/call/email us today.

#### **TO APPLY, PLEASE SUBMIT:**

Resume, references if you have any, what type of role you are looking for (PT, FT, Intern) and why we should hire YOU!

**Please submit all to [kdmash3@gmail.com](mailto:kdmash3@gmail.com) to apply. Please put STELLAR CREW in the subject line.  
Thank you for your interest. Start time is ASAP.**
