## INTERNSHIP OVERVIEW

Our 12 week summer internship is designed to give you full exposure to all phases of the project management process. You will work closely with project teams on:

- Takeoffs
- Estimating
- Submittals
- Bidding
- Scheduling
- Project Turnover

While visiting numerous active construction sites, you will gain insight into the inner workings of our field teams and how a bustling jobsite is managed. In addition to your time with the construction team, you will also have the opportunity for exposure to the development side of our business, including project financing, entitlement, and design.

Look forward to a fun summer gaining valuable experience alongside a collaborative and energetic team. Enjoy company and industry-wide events and start building your future in construction management.
