Company Overview

Kelley Trucking Inc. is a premier heavy civil contractor in the Rocky Mountain Region. We specialize in mass dirt moving projects including dams, airports, highways, landfills, commercial and residential site preparation. Our jobs range from over 40 million dollars/10 million cubic yard mass excavations, to 100,000 cubic yard site prep projects. Our services include: prime and subcontracting, heavy highway construction, mass excavation, overlot grading, structural excavation and backfill, rock excavation, import/export, aggregates and material processing services.

Values and work ethics are the driving forces behind Kelley Trucking Inc. We believe that a job done honestly with integrity is the only way to complete a job. Our commitment to strong values plays a major role in everything we do. Kelley Trucking Inc.'s commitment to their employees is a tenant in their business strategy. We know that our people make our company, from the office to the field our personnel are the highest quality.

For over 50 years, Kelley Trucking Inc. has been associated with the highest quality earthwork in the region. We have long been meeting the challenges of the industry, we recognize the importance of technological advances, and strive to remain a front-runner in the construction field. The dependability, quality and integrity of Kelley Trucking Inc. have allowed us to create an industry-leading company.
