

## Construction Project Engineer

### Who we are:

**Class-A clients. Cool Projects. Awesome People.**

At SC Builders we have a passion to build – for our clients, our community, and our people. Founded in 1999, SC Builders is a mid-sized financially secure commercial general contractor. With offices in Silicon Valley and San Francisco, we are known as a premier Bay Area construction company. Our diverse resume of work includes the top technology firms in the Bay Area as well as mission critical, life science, and institutional clients.

### Why Work Here?

- Part of an elite team
- Not volume-driven: it's about relationships
- Direct access to firm leaders
- You will not be micromanaged
- We're established but not overgrown
- Family atmosphere – you are not a number here
- Community-minded: giving back is important
- Ever-expanding competitive packages/benefits
- Ownership potential

*Want to join our team?*

### What You'll Do:

The SC Builders Project Engineer is the Master of Project plans and specifications. You will contribute strategically to ensure that each project is completed on time and within budget.

### Primary Areas Responsibilities & Specific Tasks

- Manage submittal process
- Manage RFI Process
- Assist Superintendent with updating schedule and subs/clients on changes
- Manage tracking long-lead items
- Manage buyout of self-perform items (white boards, appliances, etc.) and small scope items such as final clean, code signage, etc.
- Assist with OAC & Special Coordination Meetings
- Manage closeout and commission process, as needed

### What You'll Bring:

- A passion for building
- Excellent written and verbal communications
- The ability to learn, ask questions, and absorb information
- Outstanding problem-solving skills
- Exceptional talent in project estimating, financial management, and timely documentation
- Ability to perform under pressure
- The power to create “raving fans” among clients, architects, and other project partners.

### Salary & Compensation:

- \$70,000 - \$115,000

### Benefits:

- Medical, Dental, Vision Insurance
- Flexible Spending Account
- 401(k) plan + Matching
- Profit Sharing
- Phantom Stock
- Discretionary bonus
- Personal time off
- Paid holidays
- Family-oriented company
- On-site fitness center
