OTHER ACTIVITIES/ACCOMPLISHMENTS – PUBLICATIONS/SCHOLARLY RECORD

A major theme throughout my career in Teacher Preparation is preparing teachers to teach literacy using children's literature. I taught classes, published scholarly articles, and an invited speaker on literacy instruction and the teaching of reading and writing. Building on my research in literacy and knowledge of early reading acquisition, I have also published children's books and written 4 children's television shows for the Public Broadcasting Station. My latest book is a young adult novel for teens.
