

- 2008** **Most Promising Future Faculty Award**, Academic Senate Council on Student Experience, University of California, Irvine; award included one-quarter fellowship and fee waiver
- 2008** **American Psychological Foundation and Council of Graduate Departments of Psychology Graduate Research Scholarship**
- 2008** **Chancellor's Club Fund for Excellence Fellowship**, University of California, Irvine, awarded to 6 graduate students for academic excellence, accomplishments, and leadership qualities
- 2008** **Dean's Dissertation Data Gathering Fellowship**, School of Social Ecology, University of California, Irvine
- 2008** **American Psychological Association Dissertation Research Award**
- 2009** **Dean's Dissertation Writing Fellowship**, School of Social Ecology, University of California, Irvine
- 2009** **National Research Service Award (NRSA) Predoctoral Fellowship from the National Institute of Mental Health, Grant number 1F31MH085450 - 01A1**
- 2009** **Social Ecology Graduate Mentoring Award**
- 2010** **Finalist, Society for the Psychological Study of Social Issues Dissertation Award**
- 2011** **Reciprocal Course Visit Award**, Serie Center for Scholarship and Teaching, Macalester College
- 2011** **Society for Research in Child Development Dissertation Award**
- 2011** **National Institutes of Health Loan Repayment Program Contract from the National Institute of Mental Health**
- 2013** **National Institutes of Health Loan Repayment Program Renewal Contract from the National Institute of Mental Health**
- 2013-2014** **Colorado State University, Institute for Learning and Teaching Fellow**
- 2017** **Graduate Mentoring and Advising Award, Graduate Student Council, Colorado State University**
- 2020-2021** **Mentor of Dean's Predoctoral Fellowship, College of Health and Human Sciences, Colorado State University, Awarded to Reagan Miller**
- 2020-2022** **Mentor of NCCIH/NIH Individual Predoctoral NRSA (F31), Awarded to Natasha Seiter**
- 2021** **Jack Cermak Graduate Advising Award, Colorado State University**
- 2021-2023** **Mentor of NCCIH/NIH Individual Predoctoral NRSA (F31), Awarded to Reagan Miller**

GRANTS RECEIVED

- 2008** Society for the Psychological Study of Social Issues Grants-in-Aid Award
Primary Investigator
- 2010-2011** Wallace Research Grant Recipient (\$10,400), Macalester College, Primary Investigator, *Marital Conflict Exposure and Physiological Stress Responses: Sensitization or Dampening?*

- 2010-2011 Student Faculty Summer Research Collaboration Grant Recipient (\$9,600), Macalester College, Primary Investigator, *Marital Conflict Exposure and Physiological Stress Responses: Sensitization or Dampening?*
- 2011 University of Minnesota Obesity Prevention Center pilot grant (\$50,000), University of Minnesota, Twin Cities, Co-Investigator, *Plain Old Packs and Scooby Snacks: Eye Tracking and Children's Food Preferences*; Role: responsible for coding observational assessments of parent-child interactions.
- 2011-2013 Robert Wood Johnson Healthy Eating Research Round 6 (\$169,966)
Co-Investigator, *Do you see what I see? Eye tracking of parent/child pairs during food selection*, Role: responsible for coding observational assessments of characteristics of parent-child interactions.
- 2014 Department of Health and Human Services, Administration for Children and Families (\$7000), Primary Investigator for CSU sub-contract, *Investigating Whether IMPACT Self-defense Improves Mental Health and Functioning in Women with Substance Abuse Problems*. Role: Contributed expertise on measurement and analysis of stress physiology and mental health
- 2014-2016 NIFA and the CSU College of Health and Human Sciences Agricultural Experiment Station (\$50,783), Co-Primary Investigator, *Don't Drink the Kool-aid: Using Front-of-Package Labeling and Consumer Education to Reduce Children's Consumption of Sugary Drinks and Unhealthy Foods*, Role: leading observational assessments of characteristics of parent-child interactions
- 2014-2016 NIFA and the CSU College of Health and Human Sciences Agricultural Experiment Station (\$59,808), Co-Investigator, *Evaluation of a Mindfulness Group in Adolescents At Risk for Obesity*, Role: Contributed expertise about assessment of processes related to stress regulation as well as assessment of family relationship quality.
- 2014-2015 Colorado School of Public Health Pilot Research Grant (\$19,152)
Co-Investigator, *"Love Now, Success Later": Prenatal Emotional Care to Enhance Family Well-Being*; Role: Contributed expertise about marital relationships, as well as statistical support.
- 2014-2015 Colorado School of Public Health Seed Grant (\$20,000), Co-Primary Investigator, *Extending Northern Colorado study of nutrition labeling and education to include Spanish-speaking families*, Role: Recruitment of bilingual research assistants and translation of study materials
- 2015 Colorado State University Ventures Grant (\$14,000), Co-Investigator, *Commercializing an Innovative Classroom Tool to Increase Student Physical Activity and Learning*, Role: Providing developmental expertise.
- 2015-2018 William T Grant Foundation Grant (\$580,000), Co-Investigator, *Mentor Families and E-mentoring: Setting-Level Components to Improve Mentoring Outcomes for At-Risk Youth*. Role: Responsible for leading the coding of observational assessments of characteristics of mentor-mentee relationship quality
- 2016-2017 CSU College of Health & Human Sciences Mini-Grant (\$9,985), Primary Investigator, *Marital Conflict, Mindfulness, and Adolescent Regulation and Mental Health*
- 2016-2017 Master's in Public Health Graduate Research Assistantship Award, Faculty Mentor, Colorado School of Public Health

- 2017-2018 HDFS Graduate Research Assistant Fellowship (.5 FTE graduate research assistant for 2017-2018), Primary Investigator, *Decreasing Stress and Anxiety in Youth from High-Conflict Homes: Developing a Mindfulness Group + Ecological Momentary Intervention*
- 2017 Experiment.com crowdfunded project (\$4877), Primary Investigator, *Moving to Mindful: Reducing Stress and Anxiety in High-Risk Teens using a Mindfulness Intervention*, Winner of the Adolescence Grant Challenge Competition
- 2017-2018 Master's in Public Health Graduate Research Assistantship Award, Faculty Mentor, Colorado School of Public Health
- 2017-2019 CSU Ventures Grant (\$14,710), Primary Investigator, *Developing an Ecological Momentary Intervention for a Mindfulness Intervention: A Program to Decrease Stress and Anxiety in Youth*
- 2017-2022 K01 Career Development Award from the National Center for Complementary and Integrative Health (NCCIH), 1K01AT009592-01, Primary Investigator, *Decreasing Stress and Anxiety in Adolescents from High-Conflict Homes: Testing a Mindfulness Group + Ecological Momentary Intervention*
- 2018-2019 Master's in Public Health Graduate Research Assistantship Award, Faculty Mentor, Colorado School of Public Health
- 2019-2021 NIFA and the CSU College of Health and Human Sciences Agricultural Experiment Station (\$59,840), Co-Primary Investigator, *Dissemination of a Mindfulness Intervention for Prevention of Excess Weight Gain for High-Risk Teens Participating in a Mentoring Program*
- 2019-2020 Master's in Public Health Graduate Research Assistantship Award, Faculty Mentor, Colorado School of Public Health
- 2020-2024 NCCIH, U01AT011008, Co-investigator (PI: Shomaker), *Mindfulness-Based Intervention for Depression and Insulin Resistance in Adolescents*
- 2020-2021 Master's in Public Health Graduate Research Assistantship Award, Faculty Mentor, Colorado School of Public Health
- 2021-2022 Master's in Public Health Graduate Research Assistantship Award, Faculty Mentor, Colorado School of Public Health
- 2022-2023 Master's in Public Health Graduate Research Assistantship Award, Faculty Mentor, Colorado School of Public Health
- 2022-2023 Colorado State University Office of the Vice President for Research Quarterly Strategic Investment, *Mental Health Intervention Research in At-Risk Adolescents* (jointly with Lauren Shomaker, Kelley Quirk, and Lauren Gulley)
- 2022-2023 College of Health and Human Sciences Seed Grant, (\$14,993), Primary Investigator, *Feasibility and Acceptability of a Multi-Modal Adaptive Mindfulness Intervention Delivered through a Mentoring Program for At-Risk Teens*

CONFERENCE PRESENTATIONS

Chaired/organized symposia

1. Symposium organizer and chair: Mechanisms and Moderators of the Relation between Family Conflict and Children's Health. 2013 Society for Research in Child Development Biennial Meeting, Seattle, WA.
2. Symposium organizer and chair: From Family Conflict to Adolescent Adjustment: Cognitive and Neurological Mediators. 2016 Society for Research on Adolescence Biennial Meeting, Baltimore, MD.
3. Symposium co-organizer and co-chair (with Melissa George): Observations of Family Relationships and Children's Healthful Eating, 2017 Society for Research in Child Development Biennial Meeting, Austin, TX
4. Symposium organizer and chair: A Multi-System Approach to Understanding Stress Physiology and Youth Functioning. 2017 Society for Research in Child Development Biennial Meeting, Austin, TX
5. Symposium co-organizer (with Erika Lunkenheimer): Chaos and Cohesion in the Family System. National Council on Family Relations 2017 Annual Conference.
6. Symposium co-organizer (with Reagan Miller+): Advances in Mindfulness-Based Interventions for Adolescents. Society for Research on Adolescence 2022 Biennial Conference.
